About

Hello! Im currently pursuing my B.Tech in Computer Science and Engineering, focusing heavily on learning Java and solid technical foundation. I love exploring how software works and am excited to grow my skills,

work on hands-on projects, and connect with the tech community.

About

First-year B.Tech CSE student at KLH. Learning Java and programming fundamentals, and curious about how AI and Machine Learning are shaping the future of software. Building my foundation to become an AI and software engineer. Always happy to connect with students, seniors and professionals, and learn through projects, hackathons and internships.
